" Judy, thank you so much for making our Empower Hour such a success.

You are such a joy to work with. Your preparation, professionalism and planning helped to pull the entire event together beautifully. Memory is a topic that drew new people to our event and undoubtedly will bring them back again. Your interactive presentation was fun and packed with useful tips for strengthening our memory muscles. I've been using your strategies daily and loving the results!"

**Ellen Rogin, CPA, CFP®, Director of
Financial Planning, Marketing and
Strategy -
Metropolitan Capital Bank, Chicago**
